There are now 10 Carriage Sheds & 9 Horse Stalls vacant. The Cemetery Club may be given the use of as many Stalls & Sheds out of this as they may require on payment of the usual rent and on condition that they would vacate all or any of them if required for the use of officers & public frequenting the Public offices.

9 In view of the fact that the Club is likely to use the Stables generally at other than office hours, ie after 5 P.m., it is worth considering whether some concession in regard to the rent may not be shown. Half rent may perhaps be charged.

10) This may be considered if the Club writes again.

Dear Sir,

By direction of the Executive Committee of the Club, I beg to address you on the question of permitting the use of the Government Stables in the Cubbon Park by the Club. The Committee wanted to build separate stables for the Club. But as the Government Stables are in the immediate neighbourhood and as many of the stalls are vacant, they wish to approach Government with the request that a few of the stalls may be spared for the use of the Club. If Government wish to impose any conditions for the use of the stables, the same may be kindly communicated.

Yours sincerely,
M Madhava Rau
